ARTIST – FIGURE MODEL DAY

"A Day for Artists and Figure Models"

Saturday, August 17, 2024 - 11 AM to 5 PM

A Day of Fresh Air, Art, Artists, Figure Models, drawing, sketching, painting and Conversations among Artists, Friends and Lovers of Art, Self-Expression and Gourmet Food. Come to beautiful Sullivan County, NY (approx. 1:30 hr. from NYC) and experience the pastoral pleasure of clean fresh air, private meadows, woods, streams, springs, ponds, stone walls, old barns, country roads and the delightful company of others, like yourself, who enjoy sketching and presenting the human form. We've planned a continuous series of figure model sessions, for the entire day. Rain or shine our large Studio Barn (an 18th Century structure) will provide our work space and stage, there will be ample seating at chairs and tables or, if you prefer, you may spread a blanket on the lawn or wander the grounds at will all day. There will be amenities such as water, drinks, food, maps, toilet facilities, and a friendly staff to help you enjoy the day. Despite the beauty of the surroundings, this is an adult program and we do not recommend that you bring children to this program.

Attendees will be admitted FREE to our Cabaret Evening in the Café Absinthe. You will be treated to dessert, coffee, and BYOB. Call, write or [email](mailto:artist@spiritcrow.com) for our information brochure, directions and program schedule. Contact: artist@spiritcrow.com
